RE: Applicants: Paula Y. Choi, Gerardo Castillo, Alan D. Snow  
Serial No.: 09/753,313  
Filing Date: 12/29/2000  
PROTEO.P16

To whom it may concern:

The filing receipt for the above identified application was recently received (copy enclosed) and typographical errors were noted therein. We request that the following corrections to the filing receipt be considered timely:

The serial number listed on the filing receipt does not match the serial number on the postcard returned to us when the application was received (copy enclosed). The serial number should be 09/753,314, and not 09/753,313. Alternatively, the two assigned serial numbers should be checked, and the correct one communicated to us.

Thank you for your cooperation. Please call the Applicants' attorney if there are further questions.

Very truly yours,

Patrick Michael Dwyer  
PMD:gw p16-corr.pto

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
